# If you can monitor their Social Networks, you will know:

- Who they hang out with
- Where they are going
- Who are they dating
- What parties they are going to
- What Alcohol/Drugs/Sexual Conduct they are into (If any)

# What is the Darknet?

- This is a place where your teen can order drugs through an anonymous web browser.
- This Browser is called the TOR
- Our children can purchase any drug they want.
- It will be delivered to them through the US Mail.
- The only way to detect this is if you monitor their computers.

# It Can Happen Anywhere!

Naperville North High School (Credit: CBS)

**CHICAGO (CBS)** — A total of 13 Naperville high school [students](#) were taken to the hospital on Tuesday after they ate gummy bears that apparently were laced with another substance.

## Drug Testing Your Child.

# How do I ask my teen to take a drug test?

- **Let your teens know that you love them too much to let them be involved with drugs.**
- **Assure them you will use any tool available to keep them away from drugs,**
- **This is a very effective means of helping to prevent teen drug use, especially by giving kids a great "excuse" to say, "NO THANKS, MY PARENTS DRUG TEST ME".**
- **If you are reacting to the warning signs and in your gut you know something is going on, be prepared for the**
