ABOUT TODAY'S MARIJUANA: *Johnny Stack's Life and Death story*

WITH LAURA STACK,

FOUNDER AND CEO OF JOHNNY'S AMBASSADORS

Laura Stack was best known in the business world as "The Productivity Pro." Her career as a keynote speaker, bestselling author, and corporate spokesperson came to a screeching halt on November 20, 2019, when her son, Johnny, died by suicide after becoming psychotic from dabbing high-THC marijuana concentrates. Laura is a powerful speaker and described as a force of nature with unstoppable drive and unwavering purpose, Laura is determined to get teens to #StopDabbing. Laura Stack has a mission to help parents, educators, and our community:

- Learn about the high potency marijuana products used by today's youth
- Understand how teen marijuana use can lead to mental illness and psychosis
- Understand the connection of suicide and mental health in youth
