

The Dangerous Truth About Today's MARIJUANA

A **LIVE** presentation for parents & caregivers of adolescents and teens

With **Laura Stack** (in person)

Founder & CEO of Johnny's Ambassadors

Laura Stack

Monday, April 10 | 6:30 - 8:00 PM
Regal New River Valley Cinemas | Christiansburg

Laura Stack's 19-year-old son, Johnny, died by suicide on November 20, 2019, after becoming psychotic from dabbing high-THC marijuana concentrates.

Soon afterward, Laura started a 501c3, **Johnny's Ambassadors**, to educate parents, teens, and communities about the dangers of today's high-THC marijuana on adolescent brain development, mental illness, and suicide.

In this session, Laura will share the story of Johnny's marijuana addiction from a parent's point of view, a poignant chronicle of the shocking descent from innocence to eventual suicide.

This community education event is sponsored by
