875 Summit Ave. - St. Paul

1pm-4pm Minnesota Prevention Alliance Meeting

4pm-5:45pm Networking/Exhibitors/Panel Discussion

6pm-7:30pm Keynote Presentation by
Laura Stack from Johnny's Ambassadors

The entire community is invited: parents (and their teens over 16), educators, healthcare and prevention professionals, legislators, community coalitions, law enforcement, and anyone who works with teens!

The Minnesota Prevention Alliance meeting is an annual in-person meeting and is open to all individuals and organizations across Minnesota who are working and/or interested in partnering on effective youth substance mis-use prevention strategies in communities.

Networking/Exhibitors/Panel Discussion: Local organizations will be available to share resources, discuss current strategies, and answer questions. There will be light appetizers and beverages available during this time. Local panel discussion will begin at 4:45pm. Panelists include: Dr. Ken Winters, Dr. Traci Toomey, Heather Bacchus, Heidi Glesmann (MN Department of Health), Dr. George Realmuto.

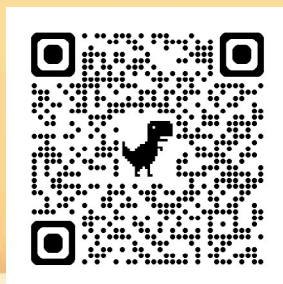

Johnny's Ambassadors presentation and community conversation: Laura Stack will give a 1 hour presentation followed by 30 minutes of Q&A. **Topic:** Educating Communities About the Dangers of Youth THC Use.
